

Panhandle Health District I Environmental Health Fee Schedule and Description

Single or Two-Family Residence Sewage System

<p><input type="checkbox"/> Subsurface Sewage Permit</p> <ul style="list-style-type: none"> A permit is required for new systems, new location of a system, or upgrades to systems that are increasing flows. A review of soil types is made at proposed location for actual septic system Sizing of the drainfield and septic tank is determined. Permit approval depends on the following: the predicted maximum daily sewage flow; house size and location; well / spring location; surface water locations; depth to groundwater on limiting layers; changes to native soil (road cuts, grading, benching); distance to neighboring structures (wells, buildings, drainfields); proposed land use; soil type; other issues of concern. Permits to construct a septic system are not granted until all such issues are addressed and / or submitted in writing as part of the plot plan / permit application AND found to be consistent with current regulations. Septic Permits are valid one (1) year from date of issuance. No partial refund is made if fieldwork is done but a permit cannot be approved. 	<p>Site Evaluation \$580 Septic Permit \$280</p>
<p><input type="checkbox"/> Two-Party System Permit</p> <ul style="list-style-type: none"> This permit will size system for two single-family residences. A tank permit for 2nd residence will be required prior to connection to system. No partial refund is made if field work is done but a permit cannot be approved 	<p>Site Evaluation \$630 Septic Permit \$320</p>
<p><input type="checkbox"/> Repair</p> <ul style="list-style-type: none"> Replacement of a failing system. 	<p>\$200</p>
<p><input type="checkbox"/> Tank Permit</p> <ul style="list-style-type: none"> This is a “tank only” permit connecting to an existing Single or Two party systems. 	<p>\$300</p>
<p><input type="checkbox"/> Authorization to Connect</p> <ul style="list-style-type: none"> Septic system installed and passed final inspection but construction of dwelling not commenced within one year of final inspection. 	<p>\$100</p>
<p><input type="checkbox"/> Permit Renewal - (Must apply for renewal <u>prior to expiration date</u>)</p> <ul style="list-style-type: none"> 1 year renewal (extends permit for an additional year from original issuance date) Limit of two renewals 	<p>\$100</p>
